

DVNR October Membership Meeting – 10/20/2019

The October meeting was held at the Tohicken Tavern in Ottsville Pa on our regular third Sunday meeting date. On that day it was raining hard in the early AM and it was raining when the meeting concluded after 2 PM. Never the less there were 21 members present to conduct business of the DVNR.

After friendly conversation and a very good lunch President George called the meeting to order. Nomination of officers for 2020 was the first order of business. George Roetenberg was nominated for President, Dan Sellers nominated for Treasurer/Membership Sec., and Kenneth Kopec was nominated for Secretary. Ken was not present to accept the nomination. Pat Daloisio volunteered to handle the duties of Sergent at Arms if so needed. (this position would be appointed by the new President if deemed necessary) No other nominations were presented.

The next meeting is scheduled to be held at Bob Katz's home in Glenside. Elections will be finalized at that time.

The Christmas Party will be graciously hosted by Frank and Shelly Mohr in Blue Bell Pa. The date for the party will be Saturday December 14. Frank presented a question about the Christmas Party. What do the members think about holding the party as an open house, say from mid afternoon to early evening? (I promise this was not done to end the party before Rick Hill arrives). A short discussion was held with the uncertainty of how to conduct the Chinese Auction and what to do about the food that members bring with them. The discussion was tabled until the November meeting where we can discuss it further.

Todd Robertson offered to host the February 2020 meeting. David Behnken offered to host the March 2020 meeting. April's activity will be the Gathering of the Nortons. The date will be the last (4th) Sunday of April, April 26 if the date is approved by the WC Park Office.

David Behnken stated that he had spoken to Kenny Cummings regarding having another meeting at Ken's shop in Jersey City in 2020. Ken was willing to host but didn't want to do so as he began to ready for his racing season. Dave thought perhaps our January meeting date might be an opportunity to visit NYC Norton. Post meeting note. We will discuss this further at the November meeting and take a poll on who would make the trip to Jersey City in January.

A motion was made and seconded to have the club treasury pick up the lunch tab for the meeting. The motion passed without opposition.

The meeting was adjourned in order.

Respectfully submitted
Dan Sellers - Treasurer
